After School Sign Ups & Waiting List

As our staffing grows we are becoming more able to accept new families to the program. Thank you for your patience as our team has grown and continues to do so. If you are new family please use the contact information at the bottom of the page. We can assist you with signing up and go over next steps in registering. For our current families please make sure you are taking advantage of your access to the program by signing up your students and sending them. If you are planning on not sending them please update your students attendance tab on your profile. This allow more families to take advantage of the care we provide.

Summer Registration

For current families of Discovery Link please visit your "Registration" tab on your School Care Works profile to register. Make sure to select "Ellis" as your school of choice. For new families please contact the program directly by using the information below or visit dpsk12.org and search Summer Programs. Summer Camp will begin Monday June 12. Calendars to sign your student up will be available after Spring Break. The program will be sending notices to you when they are available and any other updates as well. Please make sure to check your email and make sure that your contact information is up to date on your profile.

Showcase Spotlight

Community Check In (CCI)

Each day after our students arrive and have time to blow off steam from their schoold day we settle down for our CCI. This time is themed each day and focuses on helping students connect socially through those themes. Shown here is our Ma(TH)ursday's which features Math Bingo every week.
